Dear Ms. Smith

Re: MUR 4836

I do not recall making this contribution. If I had written a check for \$1000 I certainly would remember it. It was probably made in my name by my wife of then Kathie Brouillette.

I worked for Thousand Adventures in a position of construction and maintenance. I traveled extensively for the company and spent many weeks away from home and the office. My wife was far more active in politics than I was.

She worked closely with Barbara Vopnford at the office and they were and still are good friends. She assisted Barbara in putting together fund raisers, and mailings for different candidates that Barbara supported.

In my being on the road and had to trust her to take care of our affairs. In my absence I am sure she did many things I was unaware of. And since the divorce I have found that to be painfully true.

Respectfully
